

GORHAM'S HOME CENTRE

Store Security Personnel

This position requires the successful candidate to be 100% hands on at all times to oversee the security and safety of the property and its visitors. The successful applicant must possess strong communications skills with the ability to present clear direction to the other members of the security team while being able to assess any incident or situation that might occur throughout the day.

Mature candidates must have previous experience in this field of expertise of no less than five years with three written references pertaining to their scope of responsibility before any consideration will be given to the applicant. An understanding of normal security best practices and procedures, excellent customer relations skills and the ability to quickly assess difficult situations are paramount for this position.

General responsibilities for the Store Security Personnel will include, but not limited to

- Liaising with the General Manager and other executives on any pertaining security concerns
- Maintain a high level of industry best practices for the team
- Knowledge and understanding of computer and surveillance equipment in the industry

The position requires you to professionally maintain a secure environment for both the customer and staff alike while overseeing the daily movements of individuals around the property. Deter possible threats before they might happen throughout the day are one of the numerous tasks performed throughout your busy day.

If you feel you might be an asset to Gorham's Home Centre please send a typed application detailing all relevant skills pertaining to the Store Security Manager position to the attention of the Human Resources Manager, Mrs. Renee' M. King, at Gorham's Limited, P.O. Box HM 615, Hamilton HM CX.
